BALLROOM *level*

Raffles Ballroom has an impressive ceiling of thousands of tiny stars with a column-free area of 1200 sqm and a ceiling height of 8.5 meters.

- The LED wall in the room measures 832x480 cm with a resolution of 4160x2400.
- The fixtures on the ceiling allow trusses to be hung. In this way, there will be no truss feet that affect the decor and table arrangement of your event.
- The private entrance of the Raffles Istanbul Ballroom allows guests to enter the ballroom directly.
- Three adjacent rooms and two backstage rooms on the same floor are designed to meet all your event needs.
